Gain fast track opportunities for graduate programmes or other full-time positions*

What we look for

Results-oriented, innovative and motivated individuals with excellent project management and data analytics skills to help drive change in a dynamic and fast-paced environment. You should also be a team player and a good communicator, an individual who is willing to learn through a variety of roles.

For the 2023 Semester Internship Programme, we are offering internship positions for the following roles:

- Business Management
- Data Analytics
- Finance Planning & Analysis
- Investments & Advisory
- Project Management
- Research & Portfolio Management
- Risk Management
- Software Engineering

Internship period: 3 January – 30 June 2023

Apply now:
